

## **ZEUS FOUR EYES 1454**

11/05/2014 Date of Birth: Registration 1: 269649

This spectacular Bowman bred cow was a high seller at The Legacy. She has been easy on the eyes since we first saw her as a heifer. Her pedigree is amazing. Her sire is a son of the immortal JP Rio Grande and out of BL Catchit. This is the best from Loomis breeding. Her dam combines the strong lines of JR Grand Slam and Boomerang. One of her heifers will sell Friday night. This cow has produced very well for us. She measures 93 1/2"
