COMMENTS: This is one of the hardest heifers I've had to part with but I told Alan we would bring a great one. Her sire, MC Super Rex has done a wonderful job for us with two daughters projecting over 90" tip to tip. Her dam, LTL Pretty Penny, is over 80" tip to tip with a beautiful twist and lots of total horn. Rex's Penny measured 49" tip to tip on February 4th and that puts her projection over 80" tip to tip. This is going to be a front pasture cow when she matures. One of the best we have put in a sale to date. Watch her make you some money.
