This Is Your Catalog - Please Bring It To The Sale

Schedule Of Events:

Friday May 3, 2019

Sale cattle will be received until 4:00 p.m.

5:00 p.m.- **Fiesta Friday Night Sale** at sale tent
Lots 1-40 of the Fiesta Sale

7:15 p. m. The Red McCombs Party sponsored by Mike and Holly Davis of Lucky Mountain Ranch. Fun, food and great entertainment by Cactus Country.

Cactus Country

Saturday, May 4, 2019

10:00 a. m. **The Fiesta Texas Longhorn Sale**
selling lots 41-100

Lunch will be served

Mike and Holly Davis

**Mike and Holly Davis are sponsors
of the Red McCombs party.**

Lucky Mountain Ranch is a 2,500 acre slice of heaven in the heart of the Texas Hill Country. Located just a few miles west of Red McCombs Ranches, Lucky Mountain is bordered by four mountains, several miles of spring-fed creeks, and decorated with a growing herd of elite longhorns.

SALE DAY TELEPHONE: (830) 868-7491

RM

Welcome to the RM!

The first Fiesta Sale was held in April, 1979. There was a great deal of excitement then both for us, and for our guests. Back then we would never have dreamed that several generations of breeders would enthusiastically attend our sales for so many years and in many cases consider it “their sale.” Exciting offerings have gone through our sale ring over the years and purchases made here have literally changed the direction of buyer’s breeding programs. We welcome you to the sale today with the same excitement we had at our first sale.

It is a pleasure to have each of you come to see and bid on this year’s offering. As always, our consignors help make this sale so successful with their unselfish offerings. There are some elite cattle in the sale, cattle that can make a difference in your herd. As always we will be offering several of our very best cows, including one of our all-time favorites, SHR Jubilee, a Shadow Jubilee clone. In addition to a very strong set of cows we have our largest group of heifers ever being offered by some of the leading breeders in the industry. Top heifers have a way of paying big dividends to our buyers. Don’t miss out on this rare opportunity.

BAYOU STAR 590

COMMENTS: OCV. Bayou's dam comes from Dr. Gene and Jolie Berry's program and gives us a beautiful calf every year. Bayou's sire is Rebel HR, our 85+" TTT senior herd sire voted the ultimate bull at the 2018 HSC. Bayou is correct, has loads of color and is on track to be over 70" as a three year-old. She is bred to our exciting young partnership bull, Jammin Tex (WS Jamakizm / Texana Garland's Gal - 77.5" on his third birthday) for a fall 2019 calf. This heifer is the total package.

CV COWBOY CASANOVA

ASOCL BURNING DESIRE

COMMENTS: OCV. Beautiful, young "Top Caliber" (88.25" TTT) daughter with outstanding horn shape and length. She measured 65.75" TTT at 39 months and her direction will take her all the way to greatness. She gave us an outstanding heifer, "Helm Ana 851" in 2018 with a perfect low swept back horn set also. She has been bred to our 20 Gauge son, "Pump Action 722," who is out of one of our top producing females, "Helm Dixie Chic" (83" TTT) - "Pump Action" will also compliment that low, swept back and twisty horn shape. This beautiful young cow is really special and is bred right for today's market. This is one you will want to give serious thought to. Visit www.helmcattlecompany.com for updates concerning preg. status, horn measurements, etc.

PATTON HB

RHF SHARPSHOOTER • TCC SHELLY'S BLUE ROAN

**DOB 5/1/2014
Double Top Caliber
TLBAA AI Certified in June 2018**

Yes, our gentle blue roan bull just turned four years old and is over 90 inches TTT, making Patton HB 7th in the breed in TTT horn measurement (according to the "Gallery of Horns" on Arrowhead Cattle Company's web page). We are pleased with his progeny, as you can see above, with horn and color. We love blue roan and Patton HB provides ample progeny to pick from.

Patton HB won back-to-back bronzes at the LWC in 2016 and 2017 and his third bronze at the TLBAA Horn Showcase in 2018. Patton was the longest horn bull TTT in "Bull Alley".

COMMENTS: OCV. Here's a special offering. Pacific Francie is a full sister to Pacific Diamond L'il. Two years ago Pacific Diamond L'il topped this sale at \$60,000 as a two year-old. She is now 81" as a 3 1/2 year-old. The dam of both Francie and Diamond L'il is Leah Leigh who had 92.5" TTT last September. The sire of both is Santee Chex whose daughters have topped at least 3 sales we know about. About three months before the sale we'll expose Francie to Helms Ace. Ace has 86+" TTT and is a terrific producer. He is by Temptations The Ace and out of Wiregrass Laura. There are no guarantees in this business but if I was a betting man and didn't already own Francie, I'd be bidding on her.

HUNTS MISS EMPEROR RODEO

COMMENTS: OCV. RR Ranch Diva is an outstanding front pasture 6 year-old with equally outstanding genetics. She is easy to handle with good conformation, strong mother who raises a great calf. Ranch Diva's breeding on the top starts with her sire, an outstanding and exceptional Sam Chex 708 (Joaquin-515/05 X BL Sadie), going back to PCC Commander and Farlap Chex. On Ranch Diva's bottom side, she has her dam RR Top Caliber's Tiara and includes Top Caliber, Hunts Command Respect and Hunts Emperor. And the crown on this Diva, is her heifers: JMR Diamond Diva (5-12-16); JMR Diamond Diva II (5-2-17); and JMR Diamond Diva III (4-10-18)! Check out the ad in the 2019 Fiesta Sale catalog! And RR Ranch Diva measures 78" TTT on her way to 80+ ". Ranch Diva sells exposed to our 80" RR Cristal Dust bull (RR Sweet Brindle Dust X PPF Mimosa).

RM PEEKING PAT 643

TOUCHDOWN OF RM

ALLENS DOHERTY PEEKABOO

COMMENTS: OCV. Tink is a sweet cow that will eat out of your hand. She is a top daughter of JP Rio Grande and she comes from the Doherty 6 cow family. This is some of the most proven blood in the business. When you have the lineup of great and proven individuals in a pedigree as she does you have the recipe to success. She has it all - horn genetics, twist genetics, predictable genetics. We retained a heifer from her last year and she is bred to The Beast! She carries the same breeding as Allens 231 and looks almost exactly like her. 70" TTT. Don't miss out!

J R OSAGE

COMMENTS: OCV. This red and white cow has a unique history. She produces a calf every year with body color and markings just like herself. You can easily pick her calves out of a herd because they are virtual clones of their dam. Her pedigree includes J.R. Grand Slam on the top and bottom and she has been exposed to RM High Hopes, the over 86" bull we own in a partnership with Red. On 1-6-19 she was 71.5" TTT. Body, color and horn! A great Joe Valentine cow.

DALGOOD'S OK SWOOP

SW HE'S OK

SLATER 922

COMMENTS: OCV. OK Swoop was one of our top producing cows for many years until we sold her in last year's sale. She found her groove with Touchdown of RM and we bred her to him every year and she had several amazing daughters, one of which sold to Hudson Longhorns from \$100,000 and is well over 90" TTT. This is perhaps her prettiest colored daughter and a young cow with great potential to produce outstanding results for you. She is bred to Icon of RM.

HASHBROWN
TOUCHDOWN OF RM
RM MISS WHIRLWIND

COMMENTS: If you want elite breeding here it is. This is a beautiful 5 year-old cow. Her sire has proven to be a superior producer of fancy, big horned daughters. Her dam is an over 90" Touchdown daughter that produced high dollar calves out of several different bulls. It doesn't get any better than this. But wait! Yes it does! She has a pretty bull calf at side calved 12/16/18 sired by The Beast. He is a great prospect. This cow can boost your breeding program. Horn measurement 76 3/8" TTT. Not exposed back

SUPER BOWL

SUPERMAN

BOUNCER BLEND

UNCURLED

VJ TOMMIE (aka UNLIMITED)

VJ CURLEY'S GIRL

COMMENTS: OCV. This is the only full-sister to Touchdown of RM. This is a spectacular cow with great horn twist and beautiful markings. Super Bowl was one of the biggest horned bulls of his time and his grandsire, Overwhelmer, is found in the pedigrees of many top, big horned cattle. Uncurled was straight Butler and a very productive, good milking and outstanding cow that was used in the McCombs' herd for many years. These genetics could produce incredible results when crossed with the top bulls in the breed. This is a rare opportunity. Do not miss out. Bred to Colossal Pat.

SAM HOUSTON ECR

ECR TARI'S FANCY

COMMENTS: OCV. A perfectly balanced cow including body, color, horn and breeding. How many times do you get the opportunity to have Houston Solution, Don Julio, Delta Diamond, Phenomenon and Tari Graves in one package this pretty? This is one of a kind deal... we recently weaned her brindle bull calf by 585 Greased Lightning and on December 28 she palpated 6

months bred to DH Git'er Done (an Eight Seconds Chex son going back to Cowboy Chex, BL Rio Catchit, Farlap Chex and LP Mazue 4) and has JP Rio Grande and Farlap Chex on the bottom. She measured 67 3/8" TTT and 76" total at 4 years, 4 months of age. Good chance she will hit 70" TTT as a 4 year old and she's twisting now. Don't think I've raised a nicer cow. I still have her dam and a half sis by Rip Saw.

RC PACIFIC MERMAID

HUBBELLS RIO GLORY

TEJAS STAR

CRANBERRY WINE

COMMENTS: OCV. Dutchess of the Sea is our third offering of a Hubbell's 20 Gauge X RC Pacific Mermaid mating. This mating was a spectacular success as the first two offerings averaged \$17,000 each while still in the womb. Dutchess will be two in August, and she is absolutely the most beautiful of her siblings. Due to her young age she has been held open for the bull of your choice. When you think of Mermaid you think of consistency. She has produced 4 currently over 80" TTT offspring and she has three over 90" offspring making Mermaid only the third cow with that accomplishment. The oldest of the offspring is only six years old. She crosses extremely well as her three 90" offspring are out of three different bulls. She has been successfully crossed to ZD Kelly, Hubbell's 20 Gauge, Cowboy Up Chex, and Concealed Weapon. Dutchess is a sweetheart both in the pasture and the pens. Every time we are in the field she comes straight up to the Mule to visit. Easy, easy handling. Did I mention beautiful? Raise your hand and bid with confidence. You can't find better consistency than RC Pacific Mermaid offspring, and this is a pedigree you want in your herd.

BL BLACK LACE

RM REX'S CARMELA

M.C. SUPER REX

RM CARMELA WHIRL

COMMENTS: OCV. Here's a really nice coming 5 year old out of a 1200lb over 80"ttt (with probably close to 100" of total horn) MC Super Rex daughter. This makes her a half sister by sire to the soon to be 100"ttt Rex's Red Rose who has had offspring sell for over \$30,000. She's been exposed to two bulls to which the calving date will determine the sire. RM Aussie Cowboy, a huge bodied brindle bull out of the triple twist \$25,000 BHR Boomerang Beauty. Aussie heifers rocked this sale last year with an over \$7,000 average. The second bull is Zeus EOT, a full brother to BL Rio Catchit who produced the 100"ttt \$165,000 Cowboy Tuff Chex bull. Zeus also produced Four Eyes EOT who McCombs bought at the 2018 Legacy Sale for \$40,000. If you're looking for generations of consistent production that span over multiple animals that has cow power, here's an awesome opportunity for you.

HUNTS COMMAND RESPECT

SAW DUST

WILD WEST CHEX

HL COYOTE'S STARDUST

COMMENTS: OCV. A gorgeous Buzz Saw daughter out of HL Coyote's Stardoe (back to Coach, Tari Desperado FM 97 and Stardust R3). She has a brand new calf (in March) by Gun Lee Zee that is a Gun Lee look-alike. Gun Lee is Super Lee x Adriana Leigh (the best ZD Kelly daughter I've ever owned). Gun Lee measured 87 5/8" TTT on September 26 last year. Think it is a

heifer but the mud was too deep to get close enough to tell. She raised a Gun Lee Zee calf last year who was almost as big as her and never lost a pound. A super cow and great producer. One of her heifers was the prettiest brindle calf I've ever raised. One of her bull calves by Touchdown Of RM (Curley Coyote SH) is large, well-built and in the mid 70's TTT. From Red McCombs' famous program. I hate to let this great producing cow go... but... your gain.

GR GRAND UNLIMITED

WWR OVERWHELMING RUBY

COMMENTS: OCV. She will be a big, pretty cow. Her dam has a bunch of total horn with a lot of shape and over 80" TTT and we would expect her to make 70" this year, currently 64 1/4". When you have Hunts Command Respect on top and Grand Slam on the bottom you know you have proven, predictable breeding. Bred to Icon of RM.

TOUCHDOWN OF RM

ALLENS DOHERTY PEEKABOO

COMMENTS: OCV. This cow combines two very popular lines with Drag Iron on the top side and the twisty horned Doherty 6 breeding on the bottom. This heifer is very large framed and will mature into a very nice cow. Her dam is a Touchdown daughter whose dam is perhaps the best producing daughter of the Doherty 6 cow. We have had great success with this line. She is bred to Icon of RM.

CALVED: 7-26-14

TLBAA: CI302236*

CRISP RESPECT

HUNTS COMMAND RESPECT

CRISP

RR UNSTOPABULL SUNSHINE

ASOCL UNSTOPABULL EMPEROR

SMILIN IN THE SUNSHINE

COMMENTS: A daughter of the great producing, over 80" Crisp Respect. She combines Emperor and VJ Tommie breeding on the bottom side. She has some crazy good genetics that are many times proven. Nice color and excellent conformation give you a young cow that would be a great addition to your herd. Bred to Iron Warrior.

OWNED BY: Red McCombs Ranches of Texas-Johnson City, TX
RM TARI SAFARI 792

LOT # 99

SAFARI BL CHEX

FARLAP CHEX

NIGHT SAFARI BL833

TARI'S IMAGE

EMPEROR

TARI GRAVES FM49

COMMENTS: OCV. One of the important cow families in our herd is the Tari Graves Family. We have added this breeding whenever it becomes available. We were fortunate to have a Tari Graves daughter sired by Emperor for many years and this is her Safari BL Chex daughter which adds the Butler influence of Farlap Chex and the many times proven Night Safari cow into the mix. The genetics in the cow are about as good as it gets! Bred to G & L Painted Savage.

OWNED BY: Red McCombs Ranches of Texas-Johnson City, TX
RM AUSSIE EDNA 899

LOT # 100

P. H. NO.:899

CALVED: 4-8-16

TLBAA: CI304563*

RM AUSSIE COWBOY

COWBOY CHEX

BHR BOOMERANG BEAUTY

EDNA PC423

IRON MIKE ST

JBM PLAYFUL EDNA

COMMENTS: OCV. This young cow has strong family lines both top and bottom. Aussie Cowboy has produced some exceptional daughters and his sire and dam are elite cattle. When you add to that the fact that Boomerang is the sire of her triple twist granddam, you have something to be excited about. The bottom side is just as good with Iron Mike and Edna. This cow family is exceptionally strong. We like this blood. Bull calf at side born 2-14-19, sired by Razzmatazz of RM (Cowboy Touch Chex X Shadow Jubilee).

Terms and Conditions

Except for those stated in the below terms and conditions there are no warranties, either expressed or implied, as to merchantability or fitness for a particular purpose with respect to the cattle being sold at this auction.

The warranties and guarantee set forth in the "Terms and Conditions" are in lieu of all other warranties, either expressed or implied, and the remedies provided therein shall be the sole and exclusive remedy of the buyer, or any party claiming through buyer, for any breach or warranty or guarantees therein provided, and all other obligations or liabilities.

1. Bidding

Each animal will be sold to the highest bidder. The auctioneer in charge will settle any disputes as to bids, and his decision shall be final.

2. Terms

Terms of the sale are cash or check or approved credit. Settlement must be made to the clerk at the conclusion of the auction.

3. Purchaser's Risk

Each animal becomes the risk of the purchaser as soon as sold, but will not be delivered until settlement has been made.

4. Certificate of Registry

When full settlement has been made, a certificate of registration will be furnished and transferred to the purchaser. Give full name and address to the secretary when making payments so the Certificates of Registry will be transferred properly.

5. Health

All animals are eligible for interstate shipment except as otherwise noted. The cattle have been tested for tuberculosis and brucellosis within 30 days of sale date. A certificate will be furnished. Cattle have not been tested for any other diseases and therefore it is the responsibility of the prospective purchaser to request any other tests on individual animals from each consignor well in advance of the sale in order to obtain a negative test result for a given disease. Sellers may voluntarily test their cattle for other diseases should they be requested but have no obligation to do so. There is no implied guarantee for refund or replacement of cattle that may test positive for any disease other than tuberculosis or brucellosis after the sale.

6. Announcements

Announcements from the auction box take precedence over printed matter in this catalog. All cattle will be sold by lot numbers, as announced by auctioneer.

7. Breeding Guarantee

(A) All animals are guaranteed to be breeders with the exception of: (a) injury or disease occurring after sale, (b) negligence or willful misconduct on the part of the purchaser.

(B) Any female is considered a breeder if she is pregnant at the time of this sale and/or she has a calf at side.

(C) Any bull which either: (1) produces viable semen; (2) settles 1/3 or more of the healthy cows he serves; (3) is the sire of 20 or more animals; or (4) settles cows by natural service, and passes a fertility test made by a competent veterinarian during any six month period trial, shall be considered a breeder.

(D) Buyer must notify seller within one year of any breeding problem found in an animal.

8. Embryo Transfer Guarantee

All donor cows that have been worked successfully in embryo transfer are guaranteed to produce good embryos with the exception of other guarantees stated in the footnotes of this catalog or announced from the auction block. It is understood that these guarantees are valid only if: (1) a qualified person or persons do the transfer; (2) donor cow is managed properly in embryo transfer (i.e. not over conditioned and/or overworked); (3) injury or disease does not occur after the sale and (4) the purchaser is not negligent or willfully mistreats the donor cow.

9. Options and Privileges for Return or Adjustment

(A) All claims for adjustment or return must be made in writing within six months of the sale date.

(B) Any animal that has not proven itself a breeder within the time limits specified above, if in healthy condition, may be returned to seller at buyer's expense. The seller reserves the right and privilege of trying for a period of six months to prove the animal a breeder. If proven a breeder, an animal will be returned at buyer's expense. Should the animal fail to breed, the seller, at his option, may either return the purchase price or make replacement of the animal with another of equal value.

(C) Any animal returned must have a veterinarian's certificate that it is free of Bangs and tuberculosis.

10. Rights and Obligations

(A) The above terms and conditions of sale shall constitute a contract between the buyers and sellers of each animal and shall be equally binding upon both.

(B) Animals resold following the purchase in this sale shall constitute a separate transaction, and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

(C) All persons who attend the sale do so at their own risk and the owners nor any person connected with the management of the sale assume any liability, legal or otherwise, for any accidents which may occur.

11. Applicable Law

All cattle (or horses) in this sale are offered according to the laws of the State of Texas. The right to bid, as provided under the law, is reserved for all Consignors, including owners and their agents, unless otherwise announced by the Auctioneer.
