The Red McCombs Fiesta
Texas Longhorn Sale

Saturday, May 5, 2007
Red McCombs Ranch
Johnson City, Texas
May 5, 2007 The Fantastic Five – RM Herdsire Prospects

Red McCombs will make a special offering to participate in these five bulls at the Red McCombs Fiesta Sale.
Dear Texas Longhorn Friends,

The past two years have presented numerous challenges to those of us in the Texas Longhorn business. Many of us have suffered through two years of drought and as this letter is being written, spring rains have blanketed much of Texas and ranchers can now get back to what they do best, raising good cattle.

We are pleased to once again host the Fiesta Sale and welcome you to the ranch. We are excited to be able to present to you the most exciting lineup of bulls we have ever owned. Plan to attend the seminar on Friday afternoon and learn about them and view our Horn Showcase Champions, Superbowl and M.C. Super Rex, along with Touchdown of RM, BH Butler Shi-zam, RM King Midas and RM Super Whirl.

The great young bulls we just mentioned (not including Super Bowl) we call the Fantastic Five. They are shown on the facing page. We have never had such a strong group of bulls at one time. At the Fiesta Sale, we will present to you a one-time special offer to participate in these bulls. We know you will want to be a part of this offering.

We appreciate your support and want everybody to mark their calendars for our Fall Invitational Sale on October 19 and 20. We want to thank Ron and Barbara Marquess for swapping sale dates with us this fall so that we can celebrate both Red and Charline’s birthdays. This is your invitation to attend the 80th birthday party for Red McCombs at that event.

She raises a really good calf and has no problems that we’ve ever seen. This young cow has many years of calving ahead of her, and is a very easy keeper. OCV.

With a nice disposition, this cow is a clear foundation prospect. We think enough of her that she has been bred to our 73 1/2” Maximum bull, a Gunman grandson, for over a year and should be bred back to him by sale time. Offspring are Millennium Futurity eligible. Heifer calf at side born 10-27-06, sired by Maximus ST. Exposed to Maximus ST from 1-11-06 to 5-01-07. OCV.

Terms and Conditions

Except for those stated in the below terms and conditions there are no warranties, either expressed or implied, as to merchantability or fitness for a particular purpose with respect to the cattle being sold at this auction.

The warranties and guarantee set forth in the “Terms and Conditions” are in lieu of all other warranties, either expressed or implied, and the remedies provided therein shall be the sole and exclusive remedy of the buyer, or any party claiming through buyer, for any breach or warranty or guarantees therein provided, and all other obligations or liabilities.

1. Bidding
   Each animal will be sold to the highest bidder. The auctioneer in charge will settle any disputes as to bids, and his decision shall be final.

2. Terms
   Terms of the sale are cash or check or approved credit. Settlement must be made to the clerk at the conclusion of the auction.

3. Purchaser’s Risk
   Each animal becomes the risk of the purchaser as soon as sold, but will not be delivered until settlement has been made.

4. Certificate of Registry
   When full settlement has been made, a certificate of registration will be furnished and transferred to the purchaser. Give full name and address to the secretary when making payments so the Certificates of Registry will be transferred properly.

5. Health
   All animals are eligible for interstate shipment except as otherwise noted. The cattle have been tested for tuberculosis and Bangs disease within 30 days of sale date. A certificate will be furnished.

6. Announcements
   Announcements from the auction box take precedence over printed matter in this catalog. All cattle will be sold by lot numbers, as announced by auctioneer.

7. Breeding Guarantee
   (A) All animals are guaranteed to be breeders with the exception of: (a) injury or disease occurring after sale, (b) negligence or willful misconduct on the part of the purchaser.
   (B) Any female is considered a breeder if she is pregnant at the time of this sale and/or she has a calf at side.
   (C) Any bull which either: (1) produces viable semen; (2) settles 1/3 or more of the healthy cows he serves; (3) is the sire of 20 or more animals; or (4) settles cows by natural service, and passes a fertility test made by a competent veterinarian during any six month period trial, shall be considered a breeder.

8. Embryo Transfer Guarantee
   All donor cows that have been worked successfully in embryo transfer are guaranteed to produce good embryos with the exception of other guarantees stated in the footnotes of this catalog or announced from the auction block. It is understood that these guarantees are valid only if: (1) a qualified person or persons do the transfer; (2) donor cow is managed properly in embryo transfer (i.e. not over conditioned and/or overworked); (3) injury or disease does not occur after the sale and (4) the purchaser is not negligent or willfully mistreats the donor cow.

9. Options and Privileges for Return or Adjustment
   (A) All claims for adjustment or return must be made in writing within six months of the sale date.
   (B) Any animal that has not proven itself a breeder within the time limits specified above, if in healthy condition, may be returned to seller at buyer’s expense. The seller reserves the right and privilege of trying for a period of six months to prove the animal a breeder. If proven a breeder, an animal will be returned at buyer’s expense. Should the animal fail to breed, the seller, at his option, may either return the purchase price or make replacement of the animal with another of equal value.
   (C) Any animal returned must have a veterinarian’s certificate that it is free of Bangs and tuberculosis.

10. Rights and Obligations
    (A) The above terms and conditions of sale shall constitute a contract between the buyers and sellers of each animal and shall be equally binding upon both.
    (B) Animals resold following the purchase in this sale shall constitute a separate transaction, and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.
    (C) All persons who attend the sale do so at their own risk and the owners nor any person connected with the management of the sale assume any liability, legal or otherwise, for any accidents which may occur.

11. Applicable Law
    All cattle (or horses) in this sale are offered according to the laws of the State of Texas. The right to bid, as provided under the law, is reserved for all Consignors, including owners and their agents, unless otherwise announced by the Auctioneer.
