# Welcome to the RM!

We are delighted to have such an incredible set of cattle to offer you this year. Our sale a year ago was our best ever with both the heifer and cow sales averaging over \$8,000. We feel this average was the result of our consignors bringing the best set of cattle we had ever had. With the bar set high, we set out to once again put together a set of cattle that have market appeal, that will fit the top of anyone's breeding program and that will contribute to the improvement of folks herds and their profitability. We think we have been successful in doing that and encourage you to study these cattle well and take something home that will add to your breeding program. There truly are some "impact cattle" in this sale. Our thanks go to all those consignors who dug so deep. As buyers, we should take advantage of these opportunities to advance our breeding programs.

The RM herd continues to improve with each generation. We have built the strongest foundation possible with Super Bowl and his son Touchdown of RM, Iron Mike ST, and Safari BL Chex. We have concentrated leading cow families such as Tari Graves, Shadow Jubilee, Tabasco's Lezawe, Doherty 6 and Mellow Yellow to ensure the predictability that we need and expect from our Cow Families.

RM High Hopes (JP Rio Grande X Shadow Jubilee) is proving himself to be an important bull and he passed 80" TTT by his fourth birthday. RM Aussie Cowboy is a young Cowboy Chex son that we introduced here last year. His first calves will be offered in this sale and we are pleased to now own him in partnership with the Know Bull Syndicate. We will be displaying two young bulls this year that we think can make great contributions to our herd in the future. The first is Icon of RM, a son of Safari BL Chex and RM Sweetheart PAT 360, a Touchdown daughter we sold in last year's sale. The other bull is Razzmatazz of RM, a son of Cowboy Tuff Chex and our Iron Mike/Shadow Jubilee daughter. His sire and granddams are both over 90".

Enjoy your visit and thanks for coming.

COMMENTS: OCV. Robbie is one of my very best and a really tough heifer to part with. She is black, she has over 60" TTT at 30 months. Two of her full sisters have sold at Red's sales in the past and Robbie may be the best of the lots. Exposed to Dillon from 10-26-15 to 4-20-16.

COMMENTS: OCV. Sittin Cheer is a fantastic heifer out of Sittin Bull. Her dam, Cheer Leader has been a great producer for the industry. This pedigree is stacked for horn producing genetics. Sittin Cheer sells with a heifer calf by Colonel Casanova. Colonel Casanova comes from CV Cowboy Casanova and CC Sheza Whip ER Wil who sold at the Legacy for \$59,000. COMMENTS: OCV. Shadow Dancer is a big-bodied heifer that is starting to brindle. Take a close look at her horns and you'll see how they lay back. She'll have a big set of twisty horns at maturity. We've bred her to Bandera Chex (Peacemaker x Poco Lady BL) for a fall calf. We'll have palpation results and horn measurements at sale time.

Jacob's Jubilee

Maximus ST Sunhaven Delta

COMMENTS: OCV. She is a gorgeous young dark brindled heifer. She is going to look great in your pasture. Her sire was a big bodied, big horned bull named JH Big Rigg and she gets her dark brindle color both from her dam and grandsire, Maximus ST. At 19 months she measured 46 3/4" TTT and 51" TH. Her horn growth is coming along nicely. Will have updated measurements and pregnancy status the day of the sale as she has been pasture exposed from 4-1-15 to 4-1-16 to our Jolter son, Jolt Loof.

COMMENTS: OCV. 4T Rio is a pretty red roan young heifer. She is bred right with Tabasco, Roundup and JP Rio Grande in her pedigree. She has been exposed to RM Checkered Flag for her first calf in the fall. Checkered Flag throws Hunts Command Respect and Tabasco for a good dose of horns and RM Whirlwind for extra color into what should be a fantastic calf.

Bob Loomis furnished the dam and we flushed her to a variety of bulls with the understanding that Bob could pick one to take home. In fact, Bob and Pam are listed as the breeders on the certificate. COMMENTS: OCV. Here is a big horned cow, low 70's TTT but she is a high horned cow making her total horn well into the 90's. She is stunning in the pasture and will turn heads. Bred by my bull Mr. Poco Bueno Chex, 70" TTT, 3/4 brother to Cowboy Chex. I am keeping a nice yearling heifer from this cross. One of the better HCR cows here. Exposed from 8-10-15 to sale date to Mr. Poco Bueno Chex.

COMMENTS: OCV. A magnificent over 80" TTT cow with a sweet disposition, impressive pedigree and exciting future. She is an Iron Mike daughter with such well known names as Hunts Command Respect, Hashknife and Tabasco in her pedigree. Her one-year-old heifer sired by Touchdown of RM sold for \$6,700 at the 2013 McCombs heifer sale. She has been exposed to the incredible RM Aussie Cowboy, a three-year-old bull owned in partnership with Red McCombs and others. Aussie Cowboy is already over 69" and was sired by Cowboy Chex out of an over 80" corkscrew twist Boomerang daughter. We are keeping her 2015 heifer which appears to be a clone of its dam.

Phenomenal Dorthy

COMMENTS: OCV. Beautiful ZD Kelly daughter who measured 73 1/4" TTT last October. At side is a wild colored Rip Saw son who is a definite herd sire prospect. He looks nearly like his sire, Rip Saw (who measures 84" TTT) did when he was young. His horns are already looking good and he will be weaning age by sale date. She is exposed back to Rip Saw. She's one of my favorite ZD Kelly daughters and they never disappoint me. They cross well with any good herd sire. Look at the great breeding on her bottom side. She's out of Phenomenal Dorthy, a Phenomenon x Doherty 6 daughter. A real deal!

COMMENTS: OCV. You couldn't order a nicer cow! She is the cross of Grand Unlimited on an Overwhelmer daughter. She raised one of our best heifers last year out of KC Just Respect. Has a bull calf at side by KC Just Respect calved 1-31-16. Measured 76 3/4" TTT on 10-2-15.

PAGE 33

COMMENTS: OCV. What a pretty young Iron Mike daughter this is. She should pass 70"TTT by her fourth birthday and she is a real stunner! This is a very pretty cow with a gorgeous shape to her horns. Her granddam was a great and colorful producer for us and this predictable beauty is seen in each generation. She is really stunning and is safe in calf to Safari BL Chex.

COMMENTS: A stunning young bull sired by perhaps the best Red Ranger son and out of a Shadow Jubilee clone. The genetics in this bull could put your program on the map. Selling 1/2 interest. Buyer gets possession through 2018. Possession alternates after that.

COMMENTS: OCV. Here is another one of my bigger and better cows. If I didn't have heifers out of cows like this I wouldn't be selling them. Moo La La is an outstanding cow and as you can see has a ton and a half of horn and everything else a great cow needs. I have two heifers, one being 56" TTT on her 2nd birthday and the other one born 12-14-15. She also gave me my bull Moo Chex which is looking terrific. Moo La La is another great mama and is super gentle. Being pasture bred to my new bull Tuff And Ready from 3-1-16 to sale date. Check out her pedigree, it's top shelf.

COMMENTS: OCV. SCC Spice is a wonderful producing cow with ten offspring registered to her. You won't find a prettier cow with wonderful conformation and disposition and those awesome horns all wrapped up in one package. She has been exposed to Swagger BCB (JP Rio Grande x Ringa Dinger) for some of the best genetics in the industry today. Don't go home without her!

# Terms and Conditions

Except for those stated in the below terms and conditions there are no warranties, either expressed or implied, as to merchantability or fitness for a particular purpose with respect to the cattle being sold at this auction.

The warranties and guarantee set forth in the "Terms and Conditions" are in lieu of all other warranties, either expressed or implied, and the remedies provided therein shall be the sole and exclusive remedy of the buyer, or any party claiming through buyer, for any breach or warranty or guarantees therein provided, and all other obligations or liabilities.

#### 1. Bidding

Each animal will be sold to the highest bidder. The auctioneer in charge will settle any disputes as to bids, and his decision shall be final.

#### 2. Terms

Terms of the sale are cash or check or approved credit. Settlement must be made to the clerk at the conclusion of the auction.

#### 3. Purchaser's Risk

Each animal becomes the risk of the purchaser as soon as sold, but will not be delivered until settlement has been made.

### 4. Certificate of Registry

When full settlement has been made, a certificate of registration will be furnished and transferred to the purchaser. Give full name and address to the secretary when making payments so the Certificates of Registry will be transferred properly.

#### 5. Health

All animals are eligible for interstate shipment except as otherwise noted. The cattle have been tested for tuberculosis and brucellosis within 30 days of sale date. A certificate will be furnished. Cattle have not been tested for any other diseases and therefore it is the responsibility of the prospective purchaser to request any other tests on individual animals from each consignor well in advance of the sale in order to obtain a negative test result for a given disease. Sellers may voluntarily test their cattle for other diseases should they be requested but have no obligation to do so. There is no implied guarantee for refund or replacement of cattle that may test positive for any disease other than tuberculosis or brucellosis after the sale.

### 6. Announcements

Announcements from the auction box take precedence over printed matter in this catalog. All cattle will be sold by lot numbers, as announced by auctioneer.

### 7. Breeding Guarantee

(A) All animals are guaranteed to be breeders with the exception of: (a) injury or disease occurring after sale, (b) negligence or willful misconduct on the part of the purchaser.

(B) Any female is considered a breeder if she is pregnant at the time of this sale and / or she has a calf at side.

(C) Any bull which either: (1) produces viable semen; (2) settles 1/3 or more of the healthy cows he serves; (3) is the sire of 20 or more animals; or (4) settles cows by natural service, and passes a fertility test made by a competent veterinarian during any six month period trial, shall be considered a breeder. (D) Buyer must notify seller within one year of any breeding problem found in an animal.

#### 8. Embryo Transfer Guarantee

All donor cows that have been worked successfully in embryo transfer are guaranteed to produce good embryos with the exception of other guarantees stated in the footnotes of this catalog or announced from the auction block. It is understood that these guarantees are valid only if: (1) a qualified person or persons do the transfer; (2) donor cow is managed properly in embryo transfer (i.e. not over conditioned and/or overworked); (3) injury or disease does not occur after the sale and (4) the purchaser is not negligent or willfully mistreats the donor cow.

#### 9. Options and Privileges for Return or Adjustment

(A) All claims for adjustment or return must be made in writing within six months of the sale date.

(B) Any animal that has not proven itself a breeder within the time limits specified above, if in healthy condition, may be returned to seller at buyer's expense. The seller reserves the right and privilege of trying for a period of six months to prove the animal a breeder. If proven a breeder, an animal will be returned at buyer's expense. Should the animal fail to breed, the seller, at his option, may either return the purchase price or make replacement of the animal with another of equal value.

(C) Any animal returned must have a veterinarian's certificate that it is free of Bangs and tuberculosis.

### 10. Rights and Obligations

(A) The above terms and conditions of sale shall constitute a contract between the buyers and sellers of each animal and shall be equally binding upon both.

(B) Animals resold following the purchase in this sale shall constitute a separate transaction, and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

(C) All persons who attend the sale do so at their own risk and the owners nor any person connected with the management of the sale assume any liability, legal or otherwise, for any accidents which may occur.

### 11. Applicable Law

All cattle (or horses) in this sale are offered according to the laws of the State of Texas. The right to bid, as provided under the law, is reserved for all Consignors, including owners and their agents, unless otherwise announced by the Auctioneer.
