Dear Texas Longhorn Friends,

Who would have imagined 30 years ago that we would be here today celebrating Texas Longhorns at the RM? We have seen it all at our sales and parties-floods and drought, steamy hot days and freak, wind-blown cold fronts. You never know what will happen with Texas weather in the spring. What we do know is that our focus has always been on having great people and outstanding cattle with a good time had by all. We appreciate your roll in the sale, whether you are a consignor, a buyer or just a visitor.

In our last sale catalog we told you that we had added some impressive and exceptional cattle to the herd and we invited people to tour the ranch and see them for themselves. The ranch is open to our visitors and you may pick up a map at the ranch office if you would like to look at our cattle while you are here.

We are excited to have made arrangements to use the great Butler bull Desperado, owned by Loeffler Ranches, for the 2008 breeding season. We started acquiring some straight Butler cattle in 2001 and have dedicated ourselves to breeding a small but top notch herd of Butler cattle since that time. Today we have approximately 60 Butler females and many of them are sired by such great Butler bulls that we have used as Coach, Double Droopy (a full-brother to VJ Tommie), Leonidas and Windstar. This will be the first breeding season that we have concentrated our efforts toward breeding most of our Butler cows to one bull, Desperado.

We are delighted with our battery of young bulls, so much so that we have dedicated the cover of this catalog to them! You will see in the sale offering some special RM cattle bred to these great bulls and we know you will take home some cattle that will be exceptional as they mature and that will make you money. Super Bowl is bred to several lots in the sale. He has gained the reputation of siring exceptional early horn growth and has more over 70" sons than any other bull in the business. Smart buyers will invest in cows bred to Super Bowl. Touchdown of RM is a Super Bowl son we raised and he currently is being bred to many of our best cows. He has done everything we have hoped for and his daughters are starting to create a lot of attention in the sale ring. At our October sale two of them brought over \$20,000. We do not anticipate offering very many cows bred to him in the future at auction. We recommend you take a good look at what he is bred to in this sale. MC Super Rex is another Super Bowl son that we are using heavily. His first calves were born in October. We are very impressed with the muscle and uniformity we are getting with him. RM King Midas is a straight Butler son of Coach. His dam is out of our best cow family. We have one calf crop out of him and expect great things from him. BH Butler Shi-Zam is a straight Butler Dark Star Chex son we bought from Buck and Sharon Adams. His first calves have been spectacularly colored and we believe he will be an important part of our Butler program. We will be using a young bull we own in partnership with Hudson Longhorns this year. Ring of Fire is a JM Sue son out of a cow we bought from Hudson, Mellow Yellow. He will be bred to some of our top 2006 heifers this year.

Super Bowl

We are very grateful for our 30 years of fun and profit with these cattle. We invite each of you to come to the sale, bring your friends and associates and be a part of the Texas Longhorn weekend here at the ranch. We have experienced a growing interest in people who want to consign to this sale. In order to consign we have in the past asked that you be a buyer at one of our last three sales. It seems that we have a larger group who want to consign after each sale. This year we had to turn down a number of you who wanted to consign. Consignors to our 2009 sale will first be selected from the buyers at this sale. If there are any slots left open we will then offer them to the buyers at our two sales in 2007.

We want to thank each of you for helping make our sale a success. We are pleased to once again have the Almost Patsy Cline Band perform at the party.

Red & Charline McCombs

COMMENTS: OCV. This is a beautiful straight Butler cow that has produced a very fancy daughter for us to replace her and a son that sold as a herd sire. She is AI'd and confirmed pregnant to Farlap Chex, one of the all time leading horn producing Butler bulls ever. Susanna is a gentle cow that milks very well to raise a great calf. She is a productive six year-old that will certainly earn her keep.

COMMENTS: OCV. If you want the absolute best in Butler cattle, its time to step up to the plate. We were fortunate to borrow Dode's Bluboy from John Stockton for his last big calf crop. This is one of only three straight Butler daughters that we got out of him. This black and white beauty has two of the greatest all-time Butler cows in her pedigree, Classey Blubutler and Miss Redmac 256. She is a top quality young cow with her best years ahead of her. FA Red Shoulders

☐ Leonidas  
☐ Fudge 111

COMMENTS: OCV. Beautiful young almost 3 year-old heifer who just had her first calf which is a heifer out of B.C. Bandit, my herd sire. Young cow, really nice horns, beautiful spotted up heifer calf, really good genetics, gentle, and bred back to our other sire, LLL Jail Break, for a possible 3-N-1 package. Great opportunity!

COMMENTS: Here is a unique opportunity to add some of the best horn producing genetics to your program in the Longhorn breed! Her daughter, JP Grand Ann, was the high selling heifer at the 2006 Select Heifer Sale. She also produced our junior herd sire, Auzzie Eot 31/5, who has the largest base measurement of any bull we raised. We also have another unique heifer by her we're retaining in our herd. She has been palpated bred to Eot Kanstar 906 for a spring 2008 calf. This is what production is all about!

Carmen Redmac

- ☐ BL Night Chex
- ☐ JMC Phenomenal Peggy Sue
- ☐ Little Ace Beaujo
- ☐ Miss Redmac 111 /5

COMMENTS: OCV. Carmelita is out of Amigo Chex and one of our best producers, Carmen Redmac, a 2001 purchase at the McCombs sale. She has a good deal of total horn, that great roan color and is very easy to work with. We are keeping her 2007 heifer as a replacement. Exposed to Beau Chex from 5-2-07 to 12-12-07 and to Amigo Chex PH 812 from 12-14-07 to 3-08.

COMMENTS: This cow will add more of the "Texas twist" genetics to your program. I have retained her last 3 calves, as they have all been heifers. Her next calf will come before the sale date. She is from the Yates program in West Texas, and is also registered with Cattlemen's Texas Longhorn Registry. She is a gentle cow and is a good milker. She will be one of the first ones in the pen when you call them up. She is bred to Kamikaze, who has been a spectacular horn producer.

# RM *Terms and Conditions*

Except for those stated in the below terms and conditions there are no warranties, either expressed or implied, as to merchantability or fitness for a particular purpose with respect to the cattle being sold at this auction.

The warranties and guarantee set forth in the "Terms and Conditions" are in lieu of all other warranties, either expressed or implied, and the remedies provided therein shall be the sole and exclusive remedy of the buyer, or any party claiming through buyer, for any breach or warranty or guarantees therein provided, and all other obligations or liabilities.

---

## **1. Bidding**

Each animal will be sold to the highest bidder. The auctioneer in charge will settle any disputes as to bids, and his decision shall be final.

## **2. Terms**

Terms of the sale are cash or check or approved credit. Settlement must be made to the clerk at the conclusion of the auction.

## **3. Purchaser's Risk**

Each animal becomes the risk of the purchaser as soon as sold, but will not be delivered until settlement has been made.

## **4. Certificate of Registry**

When full settlement has been made, a certificate of registration will be furnished and transferred to the purchaser. Give full name and address to the secretary when making payments so the Certificates of Registry will be transferred properly.

## **5. Health**

All animals are eligible for interstate shipment except as otherwise noted. The cattle have been tested for tuberculosis and Bangs disease within 30 days of sale date. A certificate will be furnished.

## **6. Announcements**

Announcements from the auction box take precedence over printed matter in this catalog. All cattle will be sold by lot numbers, as announced by auctioneer.

## **7. Breeding Guarantee**

(A) All animals are guaranteed to be breeders with the exception of: (a) injury or disease occurring after sale, (b) negligence or willful misconduct on the part of the purchaser.

(B) Any female is considered a breeder if she is pregnant at the time of this sale and/or she has a calf at side.

(C) Any bull which either: (1) produces viable semen; (2) settles 1/3 or more of the healthy cows he serves; (3) is the sire of 20 or more animals; or (4) settles cows by natural service, and passes a fertility test made by a competent veterinarian during any six month period trial, shall be considered a breeder.

## **8. Embryo Transfer Guarantee**

All donor cows that have been worked successfully in embryo transfer are guaranteed to produce good embryos with the exception of other guarantees stated in the footnotes of this catalog or announced from the auction block. It is understood that these guarantees are valid only if: (1) a qualified person or persons do the transfer; (2) donor cow is managed properly in embryo transfer (i.e. not over conditioned and/or overworked); (3) injury or disease does not occur after the sale and (4) the purchaser is not negligent or willfully mistreats the donor cow.

## **9. Options and Privileges for Return or Adjustment**

(A) All claims for adjustment or return must be made in writing within six months of the sale date.

(B) Any animal that has not proven itself a breeder within the time limits specified above, if in healthy condition, may be returned to seller at buyer's expense. The seller reserves the right and privilege of trying for a period of six months to prove the animal a breeder. If proven a breeder, an animal will be returned at buyer's expense. Should the animal fail to breed, the seller, at his option, may either return the purchase price or make replacement of the animal with another of equal value.

(C) Any animal returned must have a veterinarian's certificate that it is free of Bangs and tuberculosis.

## **10. Rights and Obligations**

(A) The above terms and conditions of sale shall constitute a contract between the buyers and sellers of each animal and shall be equally binding upon both.

(B) Animals resold following the purchase in this sale shall constitute a separate transaction, and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

(C) All persons who attend the sale do so at their own risk and the owners nor any person connected with the management of the sale assume any liability, legal or otherwise, for any accidents which may occur.

## **11. Applicable Law**

All cattle (or horses) in this sale are offered according to the laws of the State of Texas. The right to bid, as provided under the law, is reserved for all Consignors, including owners and their agents, unless otherwise announced by the Auctioneer.

## IN THE CATTLE BUSINESS SUCCESS RARELY COMES BY ACCIDENT

At Red McCombs Ranches we view our selective breeding program as an investment in our future.

We set the same high standards in our own herd that we do in the selection of our herd bulls. The predictability you get with our proven family lines spells profit. RM Drumpy Gal is a prime example of one of our best lines. Her son RM King Midas and her 12/10/07 JM Sue heifer are the kind of cattle you can build a herd around.
