COACH

Dear Texas Longhorn Friends,

We have held numerous sales over the years here at the ranch and we will continue to do so. Back in the 80's we held several Red McCombs Opportunity Longhorn Sales in which we sold surplus cattle mainly from our Colorado breeding program as well as from time to time when we would sell a ranch and need to disperse a large group of cattle. From these sales many breeders stocked their herds with our cattle and they truly did benefit from the opportunity. Today we offer a select group of cattle in reducing our herd because we have sold the east side of the ranch last October.

We will continue to offer top cattle in both of our sales each year, and just like they did in the 80's, take the opportunity to buy top cattle from our program.

Touchdown is, without a doubt, the best young bull we have ever raised. We have never had a bull with the size, color and phenomenal horn growth that he has. We expect great things from him. The dam of this bull is a fancy, tri-colored first calf heifer out of the great Dode's Bluboy. We rarely offer something this promising and at this age. This calf is just a baby and he has the size, color, pedigree and eye appeal we all look for. He just may be your next herdsire!
