Welcome to the RM!

This year's sale offers many opportunities to breeders and at the same time is a transitional year for us at the RM. Since our sale last year we have lost a sizable pasture lease and we must sell down the herd to fit the ranch. This reduction in numbers has resulted in us offering some outstanding cattle that normally would not be for sale. We invite you to look closely at our offering and take advantage of the buying opportunity.

We are excited by the Texas Longhorn breed. We think our herd has improved tremendously in the past few years and there are two very important factors responsible for this. One is the fact that we have concentrated on using proven cow families in our herd. We presently have several families that are beginning to dominate the herd. These lines add superior genetics and predictability to the herd. Our heifer sale offerings are hand selected this year from these awesome cow families. A second factor is we think we have the finest set of bulls we have ever had. Our confidence in these bulls led us to the conclusion that we should share these genetics with the industry and today we are pleased to make a special semen offering of three proven sires and one prospect to you. We will also offer semen packages from a unique group of Butler bulls in the auction.

For those of you who come to the ranch on Friday we will offer tours of the ranch. We love to show our cattle off and are proud of the results of the hard work we have done in elevating the herd over the past dozen years or so. We are excited by our calves out of Touchdown of RM, Iron Mike and Safari BL Chex and hope you will take time for a tour.

We will be selling nine paint horses bred and raised here at the RM. Many of you are familiar with the horses we have offered here at previous sales and many of you have bought some great stock right here. Horses will be auctioned at the Friday night heifer sale as well as at the Saturday Fiesta Sale. If you are interested in buying a beautiful, well-bred paint horse, take a look at this special offering.

The Texas Longhorn breed is evolving very rapidly and buyers are more sophisticated and knowledgeable than ever before. This evolution presents a real challenge to us at our heifer sale. We have always attempted to have the strongest set of heifers possible. Last year we offered several lots of weanling to yearling heifers out of superior cows with their dams on display. These heifers were so well received that we are offering more heifers like that this year. This year's heifer sale can be your herd's next gold mine. There are some fabulous heifers out of elite cows. Many of these heifers normally would not even be for sale. Take a good look at the heifers and their dams and do yourself a favor and buy a great heifer or two to add to your breeding program. These heifers should excite all breeders.

Thank you for your time and for your interest. We hope everyone can attend both parties and both sales and that you go home with some special cattle that can impact your herd.

SPECIAL SEMEN OFFER

For the first time in several years we will be offering semen from three of our herdsires. This offer will expire on May 4. This is an opportunity to buy proven, promoted and profitable bulls at the very reasonable price of \$50 per straw. The semen will be offered with a 15 straw minimum and the buyer may choose semen from one, two or all three bulls.

Touchdown of RM: This Super Bowl son is known throughout the breed having sired some fabulous daughters that have topped numerous sales. His dam is a VJ Tommie daughter and out of a dominant cow family. His biggest horned daughter is currently 85" and we have several young cows in our herd that will go over 80" soon. His best known son is the lacey faced RM Heavy Touch we own in partnership with the Allens. This is the most consistent bull we have ever owned. He sires uniformity and loud color. This is only the second time we have offered to sell his semen.

Iron Mike ST is one of the greatest sons of Hunts Command Respect. His dam is the great Tabasco daughter Hashknife. We acquired this bull after noticing several outstanding daughters of his topping sales. Not only did we start buying his daughters but we bought him as soon as he became available. He is known for siring daughters that exceed their dams in tip-to-tip at an early age. We had a number of heifers over 50" at 24 months in our first calf crop from him and he produces a rainbow of colors. Our biggest horned son of his so far measured 66 1/2" at 29 months and is tri-colored. This year we are now getting our third calf crop from him and he has not disappointed us. Iron Mike is a very special bull.

Safari BL Chex: We are excited to own part of this great Loomis raised bull. He is over 80" tip-to-tip and is not related to much of our herd. His sire is Farlap Chex and his dam is one of the breed's greatest black cows, Night Safari BL 833. His full and half-siblings have been producers and the predictability that he has is what we look for in a herdsire. His brindle and white color should work well in our herd and we hope he will pass the brindle on to some of his calves. His low horn set should give us horn genetics that lead to extreme tip-to-tip.

We think these three bulls are a bargain at \$50 per straw. We will not offer this package again. We give the buyer the flexibility to choose one, two or all three bulls with a minimum of 15 straws total. The buyer may take more than 15 straws if he so chooses. Semen is limited to quantities on hand.

Buyers of this semen package have the option to purchase semen from the late Buzz Saw for \$150. This semen is in very limited quantity.

A Special Offer to Those Who attend this Sale.....

RM HIGH HOPES

We are introducing our new herdsire prospect, RM High Hopes. This is your chance to share this bull and at the same time benefit from the promotion we will be doing on him as he proves himself. High Hopes is a gorgeous dark brindle with white lineback and underline and his parents are household names in the breed. JP Rio Grande offspring have won just about everything there is to win at the LWC and Horn Showcase and he is now over 80" tip-to-tip. He will go down in breed history as one of the greatest bulls of all-time. Shadow Jubilee is a stunning black and white cow that is a granddaughter of a McCombs cow! Last fall she measured just shy of 90" tip-to-tip. This bull is destined to greatness. This may be your only time to buy his semen without buying a syndicate share. Semen is \$50 per straw with a 10 straw minimum. Sexed semen is \$100 per straw. Semen will be collected this fall.

Description: Red brindle.

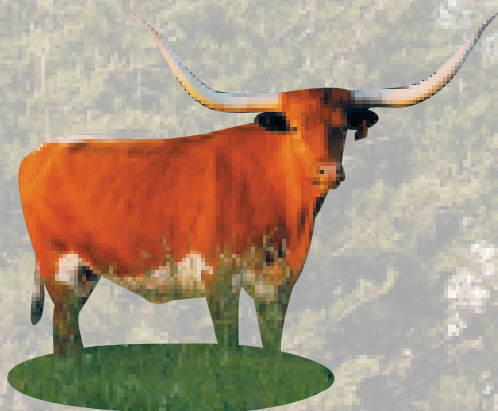

Maximus ST

J.R. Grand Slam
Maxi Confetti

Hot Shot's Little Sis

Blackwood's Deigo
Moore's Maiden 48/6

COMMENTS: OCV. Little Maxine is a big horned, brindled beauty. Her sire Maximus ST is a 2-time TLMA World Champion at 76 1/8" TTT. On the bottom side she is out of Blackwood's Diego, a bull that is known for the color he throws off. That color has continued with the calves Little Maxine has produced for us. Little Maxine will be a great asset to your herd offering horns, color and conformation. Exposed to Hubbell's Del Rio from 2-13 to sale day. Hubbell's Del Rio is out of JP Rio Grande and Hubbell's Victoria Beauty.

COMMENTS: OCV. EOT Outback Betsy is an outstanding Boomerang CP daughter that once sold for \$50,000 a few years ago at the Legacy Sale. She is a great producer and we have a knock-out heifer calf out of her and Rio Grande that we plan to keep for many years. We have her bred to the great Concealed Weapon bull owned by Jimmy Jones and Mark Hubbell. This is a special cow and we are consigning her out of respect to Red McCombs who always has one of the best Longhorn sales of the year.

DH Ring Around The Collar

☐ DH Red Ranger
☐ DH Whelming Impact

585 Waterloo

☐ 585 River Rock
☐ Hot Shot Specialty 803

COMMENTS: Hot Under The Collar put the horn on quick and is still adding to it. Long and tall, she is a standout cow, feminine and clean, calves a solid calf. This is a durable cow and does well wherever you put her. She has been exposed to WF Blackjack (Cowboy Chex x Hayseed) from 3-15-12 to present.

☐ Delta Judy

☐ J.R. Grand Slam
☐ J.R. Lassie

COMMENTS: Great opportunity to add genetics, horn, color and disposition to your herd. Mid 70's TTT cow that gets the job done. Keeping her 2012 heifer out of Totem Pole as her replacement. Bred to my large black and white bull Makin Magic. Magic has large bones and is a mid 70s TTT bull that produced really nice colored up calves plus he is dog gentle. Exposed to 7-11 Makin Magic from 6-1-12 to sale date.

☐ Leonidas
☐ Dode's Butler Bell BW 54

COMMENTS: OCV. Touchdown and Coach have both been big producers for us. Touchdown is an amazing bull and his daughters have been top sellers over the years. Here is a nice, lateral horned Touchdown daughter out of a Leonidas cow. Leonidas was a Coach son that we used very successfully. There are some tremendous horn genetics in this cow with Super Bowl (79") and W5 Flower Garden (78.25") and she is 3/4 Butler so you can add the Butler influence to your herd. COMMENTS: OCV. This young black cow is destined to greatness. Her dam was a big-time producer for us and she is following in her footsteps. She has a lot of total horn and has turned them out and now is rapidly adding tip-to-tip. She is a good one. Her sire represents the best of Butler breeding with Coach, Don Juan, Double Droopy (full brother to VJ Tommie) and the Curly cow family which has been one of our best families. Her dam is a massive horned cow that is double-bred Diego's Hot Shot as well as Ranger's Ranch Hand. What a genetic package. Safe-in-calf to RM Super Mac.

Each animal will be sold to the highest bidder. The auctioneer in charge will settle any disputes as to bids, and his decision shall be final.

2. Terms

Terms of the sale are cash or check or approved credit. Settlement must be made to the clerk at the conclusion of the auction.

3. Purchaser's Risk

Each animal becomes the risk of the purchaser as soon as sold, but will not be delivered until settlement has been made.

4. Certificate of Registry

When full settlement has been made, a certificate of registration will be furnished and transferred to the purchaser. Give full name and address to the secretary when making payments so the Certificates of Registry will be transferred properly.

5. Health

All animals are eligible for interstate shipment except as otherwise noted. The cattle have been tested for tuberculosis and Bangs disease within 30 days of sale date. A certificate will be furnished.

6. Announcements

Announcements from the auction box take precedence over printed matter in this catalog. All cattle will be sold by lot numbers, as announced by auctioneer.

7. Breeding Guarantee

(A) All animals are guaranteed to be breeders with the exception of: (a) injury or disease occurring after sale, (b) negligence or willful misconduct on the part of the purchaser.

(B) Any female is considered a breeder if she is pregnant at the time of this sale and/or she has a calf at side.

(C) Any bull which either: (1) produces viable semen; (2) settles 1/3 or more of the healthy cows he serves; (3) is the sire of 20 or more animals; or (4) settles cows by natural service, and passes a fertility test made by a competent veterinarian during any six month period trial, shall be considered a breeder.

(D) Buyer must notify seller within one year of any breeding problem found in an animal.

8. Embryo Transfer Guarantee

All donor cows that have been worked successfully in embryo transfer are guaranteed to produce good embryos with the exception of other guarantees stated in the footnotes of this catalog or announced from the auction block. It is understood that these guarantees are valid only if: (1) a qualified person or persons do the transfer; (2) donor cow is managed properly in embryo transfer (i.e. not over conditioned and/or overworked); (3) injury or disease does not occur after the sale and (4) the purchaser is not negligent or willfully mistreats the donor cow.

9. Options and Privileges for Return or Adjustment

(A) All claims for adjustment or return must be made in writing within six months of the sale date.

(B) Any animal that has not proven itself a breeder within the time limits specified above, if in healthy condition, may be returned to seller at buyer's expense. The seller reserves the right and privilege of trying for a period of six months to prove the animal a breeder. If proven a breeder, an animal will be returned at buyer's expense. Should the animal fail to breed, the seller, at his option, may either return the purchase price or make replacement of the animal with another of equal value.

(C) Any animal returned must have a veterinarian's certificate that it is free of Bangs and tuberculosis.

10. Rights and Obligations

(A) The above terms and conditions of sale shall constitute a contract between the buyers and sellers of each animal and shall be equally binding upon both.

(B) Animals resold following the purchase in this sale shall constitute a separate transaction, and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

(C) All persons who attend the sale do so at their own risk and the owners nor any person connected with the management of the sale assume any liability, legal or otherwise, for any accidents which may occur.

11. Applicable Law

All cattle (or horses) in this sale are offered according to the laws of the State of Texas. The right to bid, as provided under the law, is reserved for all Consignors, including owners and their agents, unless otherwise announced by the Auctioneer.
