Brindle Lady will join the other daughters of Wiregrass Phenomenon as a complete package. The trinity: horns, milk and conformation, you can also add the beautiful color. I hope to have Brindle Lady bred to Wiregrass Gun's A Smokin, 2006 Horn Showcase Winner Total. His sire is Gunsmoke and his dam is Horse Head Show Time, who has over 94'' total horns. Don't wait to buy her half sister or better yet, buy both of them. I know a very prominent breeder that bought a half sister in May and I'll bet he is pleased with her. COMMENTS: OCV. We have had this heifer hidden, but a special occasion deserves such a special animal. Her dam is a colorful, big bodied young cow out of a Dode's Boy son and Buckhorn's 73"+ KF117 cow. Her sire is the 2 time Horn Showcase Champion, J.R.
